

STOP Deck Drips

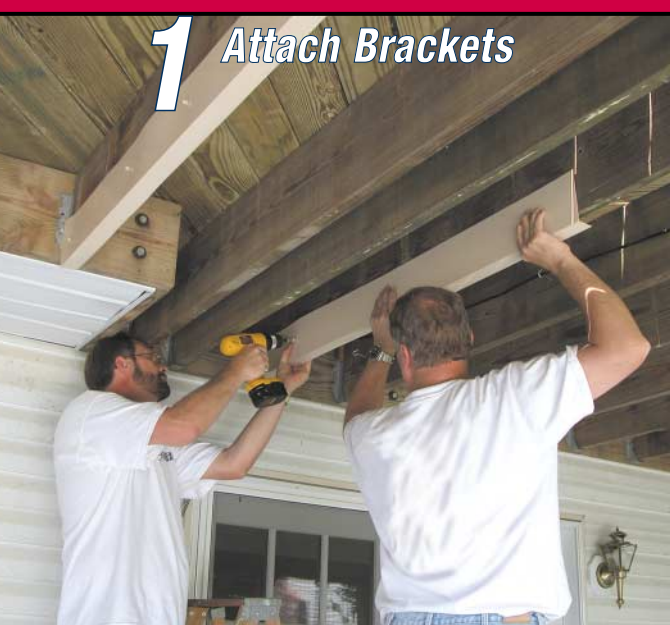

Keep the Area Under Your Deck Dry and Looking Great in 3 Easy Steps with...

TUFTEX
Deck Drain

- ✓ **Easy to install**
- ✓ **Your under-deck spaces stay clean, dry & mold free.**
- ✓ **Great new, clean storage space.**
- ✓ **Enjoy the cool, dry patio space you never had before, even in the rain.**

Add value to your home while turning your under-deck space into a great place to enjoy shaded comfort while keeping your outside furnishings & yard equipment clean and dry. This unique design diverts rain water away from any under-deck area. **Deck Drain** won't rust and will look great for years.

Add valuable and usable space to your home today!
